I will see you soon, have a good evening.

We are staying at the Roadhouse Inn, we will have our own transportation, it is people flying in from other communities and from Anchorage that I am concerned about. So, the tribal van would be helpful if possible to help bring those folks to the meeting.

Newhalen Tribal has a van, I will ask the administrator if it will be available for transporting people back and forth. I will let you know by the end of the day. Where will you all be staying?

Hi Denise,  
Thank you for helping with this meeting. Do you happen to know if there is an active taxi service in Iliamna that would help bring people to Newhalen? I am getting questions about transportation for folks who are flying in for the day.

I will be renting a vehicle but if there is another option for people that would be helpful.

Thanks! Tami
